# First chapter: a comfortable reader.

A book is a place to slow down and stay for a while.
The page should be clear, quiet and easy on the eyes.
Turn the page when you are ready. Your place is saved.

Chapter notes

Use the keyboard or scroll at your own pace.
Keep a bookmark for the parts worth returning to.
Change the paper color to suit the evening light.

Nothing here changes the original document.

# Second chapter: NEEDLE needle.

A book is a place to slow down and stay for a while.
The page should be clear, quiet and easy on the eyes.
Turn the page when you are ready. Your place is saved.

Chapter notes

Use the keyboard or scroll at your own pace.
Keep a bookmark for the parts worth returning to.
Change the paper color to suit the evening light.

Nothing here changes the original document.

# The end: a final reader page.

A book is a place to slow down and stay for a while.
The page should be clear, quiet and easy on the eyes.
Turn the page when you are ready. Your place is saved.

Chapter notes

Use the keyboard or scroll at your own pace.
Keep a bookmark for the parts worth returning to.
Change the paper color to suit the evening light.

Nothing here changes the original document.
